Leadership and Management Programme

Presented by: Debbie Austin

Delivered as: 5 modules of 90 minutes, as a complete course or individual stand-alone modules

Suitable for:

Managers who have had little or no formal training or who would like a refresher. Today we need to manage and lead in an agile changing environment and get the buy-in from individuals and our team. Change can be a daunting or exhilarating experience for yourself and others so we will delve into the importance of change management and qualities and behaviours you need to support to your team.

Module 1: Supporting Others Through Change

You will learn:

- Benefits and consequences of change
- Understanding the change curve
- Moving successful through the stages
- Implementing a change plan
- Action Points

Pre course: –

Consider a past change you needed to implement and how you managed the change with your team?

Consider how people react to change?

What next?...

- Smarter Objective Setting
- Developing Others
- Becoming an Effective Coach
- Giving and Receiving Feedback
