# Leadership and Management Programme

Presented by: Debbie Austin

Delivered as: 5 modules of 90 minutes, as a complete course or individual stand-alone modules

### Suitable for:

Managers who have had little or no formal training or who would like a refresher. Today we need to manage and lead in an agile changing environment and get the buy-in from individuals and our team. Change can be a daunting or exhilarating experience for yourself and others so we will delve into the importance of change management and qualities and behaviours you need to support to your team.

### Module 2: Smarter Objective setting

You will learn:

- How to drive yourself and others to succeed – being goal driven
- The cascade system
- The process of objective setting
- Setting SMART objectives
- Action Points

Pre course: –

Consider an objective you would like to set a team member?

Consider what helps you set objectives in your organisation?

### What next?...

- Supporting Others Through Change
- Developing Others
- Becoming an Effective Coach
- Giving and Receiving Feedback
