

Managing People Effectively – Level 1

A one-day workshop either in person or interactive tutor-led webinar

Participative and interactive with exercises, discussion and actions to take away. Available as a public open course OR for your own in-house group to bring in new techniques and bring consistency across the business.

Suitable for: Aspiring or newly appointed managers or those at any level who have had little or no formal training or who want a refresher. Understand your responsibilities for performance and gain the principles and practice to establish and maintain a motivated team that gets results.

By the end of the course you will be able to:

- Clearly define your role, responsibilities and behaviours as a good manager
- Understand the importance of building a team and defining the individual and team purpose
- Create a positive and proactive team to enable you to use your time in the most effective way
- Clarify performance expectations for yourself and the team and monitor for desired outcomes
- Attain results through agreeing and setting appropriate individual and team objectives
- Delegate effectively while still feeling in control
- Use motivation and developmental feedback to stimulate people to grow
- Create a development plan for building your own knowledge, capability and effectiveness
