Speed Writing to Build your Confidence and Credibility

Delivered as: Interactive Workshop or Tutor-led Webinar

Live and interactive with exercises, discussion and actions to take away

Suitable for: Anyone working in today's fast-paced environment who needs to take notes quickly and accurately at meetings, briefings or on the telephone. If you dread the question, "Will you take notes?" this is for you! A quick to learn note-taking method that gives you techniques to use immediately with confidence. Your aptitude and speed will continue to develop as you use the techniques and especially by compiling your own short forms for frequently used specialist terms.

By the end of the course you will be able to:

- Understand and apply the principles of the speed writing system
- Take notes and/or minutes immediately using speedwriting techniques
- Capture telephone or other messages quickly and accurately on the move
- Practise the techniques described to continue to develop your expertise
- Attend meetings with confidence, even if you are note-taker!
